POLISH YOUR COOKING was founded to help people master culinary skills and familiarize themselves with local cuisines in a fun and casual atmosphere. We conduct our cooking classes in English, Polish and other languages.

Our scenarios range is wide enough for everyone to find something interesting: team-building, tourist classes, b-day parties, bachelor nights, alcohol tastings and more! We can organise cooking classes for 1 to 100 participants.

Team-building

For organised groups, we usually offer a Team-building Cooking Event (3.5 h long, participants are divided to smaller groups to build relations while cooking, taking part in cooking games, every group is cooking different dishes with the chef's help).

During the Polish Your Cooking Team-building Event the guests will:

- 🍷 try a buffet of Polish appetisers (finest traditional meats, cheeses, pickles, breads and more),
- 🍷 hear a short history lesson of Polish cuisine from the Polish chef,
- 🍷 be divided into smaller groups and face challenges in a range of cooking games to win the 'Polish Your Cooking Award',
- 🍷 prepare dishes – each group prepares one main dish (e.g. Pierogi, Kluski Śląskie with Goulash, and Highlander Potato Pancakes with a mushroom sauce),
- 🍷 have a quiz on Polish spices,
- 🍷 enjoy a common dinner (the cooked dishes, served along with side dishes and soft drinks),
- 🍷 grab a dessert,
- 🍷 receive certificates, recipes and a small gift for each participant (a wooden spatula with our logo).
- 🍷 hear culinary facts, tips and tricks.
- 🍷 have soft drinks (juices and water) served throughout the entire event.

5. Green Warsaw

Warsaw is a salubrious and refreshing destination because **nearly half of the city is made up of green areas**. There are 96 parks, of which the biggest and most beautiful is **the Royal Łazienki Park** and palace complex. One special green area is the right bank of **the Vistula River**, which is marked by its unspoiled, natural habitat – beavers, terns and even elk can be found there. Indeed, both banks of the river are considered to be the summer centres of the city. Here you can relax on one of the eight **municipal beaches**, rent sporting equipment, go on a bicycle tour along the river, or take a cruise on a traditional wooden boat. From May to September, there is also a free **shore-to-shore ferry** service. The recently modernised Vistula boulevards are very popular among walking enthusiasts. Art lovers should not miss a visit in a temporary exhibition space of **the Museum of Modern Art in Warsaw** – the Museum on the Vistula, located in the temporary premises on the banks of the river. Nearby, not far from the Royal Castle, there is **the Multimedia Fountain Park**, where many cultural events take place, such as **Wianki**, the summer solstice festival in June, and **the Feast of the Vistula** in September.

“PGE Narodowy” stadium – for touring, running, and thrilling emotions

In 2017, over 2 million people visited the “PGE Narodowy” stadium. The stadium itself and the grasslands around it are open for everyone from dusk to late evening, seven days a week. The venue welcomes both those who come for concerts and sports event as those who simply want to see it, and of course those who actively go in for sports themselves.

From the day it opened, the “PGE Narodowy” stadium has enjoyed unwavering popularity thanks to a wealth of diverse events held inside. It is not only a sports arena, hosting football and volleyball matches and motor sports competitions, or a venue for concerts attracting the biggest stars, but is also a home to many free-to-attend events and workshops promoting a healthy lifestyle and participating in sports.

The “PGE Narodowy” stadium offers a number of tours to those who want to take a closer look, giving everyone an opportunity to feel like a true fan by checking out the impressive stadium acoustics and entering the dressing rooms where Cristiano Ronaldo and Robert Lewandowski prepared for their matches during the European Championships.

Currently, the most popular tours are those developed around different themes: “Football Emotions”, “Feel like a VIP”, “A History Lesson” and “PGE Narodowy” for a Junior”.

The “Football Emotions” tour gives you an opportunity to see not only the field and the stands up close, but also the locations normally reserved for the players of the Polish National Team. The “Feel like a VIP” tour covers the areas visited by the “Football Emotions” tour, and adds additional stops in the luxurious facilities – e.g. the VIP lounges and the media stands – prepared for the most important guests visiting the “PGE Narodowy” stadium.

The “A History Lesson” tour follows the tracks of “PGE Narodowy” stadium “older brother”, i.e. the no longer ex-

isting 10th-Anniversary Stadium. This tour visits, among other things, the lower stands, the players’ area, the former players’ tunnel, and the dressing rooms.

And the youngest visitors to the stadium are welcome to join the ““PGE Narodowy” stadium for a Junior” tour. Last year, two new tours were launched: ““PGE Narodowy” stadium for a Senior” and “Expressway through the “PGE Narodowy” stadium”.

The visitors can also climb up to a Viewing Point in the upper stands from where they can admire a panoramic view of the “PGE Narodowy” stadium.

For anyone who would like to experience truly thrilling emotions, “PGE Narodowy” stadium offers a zip-line ride. Half a kilometre of cables, speeds exceeding 60 km/h, travelling around 50 m above the ground – this is what the “Extreme “PGE Narodowy” stadium” offers.

The “PGE Narodowy” stadium also organises a number of free-to-attend events promoting active participation in sports. Very popular are inline skating workshops where experienced instructors share their practical skills with young enthusiasts of the sport.

A nice crowd of people also gathers on Tuesdays at running training sessions conducted by experienced coaches.

For more specific information and a schedule of events organised at the “PGE Narodowy” stadium, visit the stadium’s website at: www.pgenarodowy.pl. You can also download a free mobile app called “PGE Narodowy”, available from both Google Play and the App Store.

Służewiec Racecourse

Służewiec Racecourse finds itself among the oldest and most beautiful tracks in Europe. Służewiec Racecourse hosts flat races for thoroughbreds and Arab horses as well as harness racing. More than 50 race days are organized at weekends from mid-April until the end of November every season. Chief events for each of those include: in springtime – Spring Prize and Ruler Prize, Derby and Oaks Galas in July, Arabian Day and St. Leger in August as well as the Great Warsaw Race in September. Two renovated historical audience stands and beautiful green spaces have all been made available to the public. See more at: www.torsluzewiec.pl.

Cycling lanes, jogging lanes, harbours – enthusiasts of active leisure on the Vistula River have plenty to choose from! A special fitness trail winds along the “wild” right bank. If you happen to cycle in this neighbourhood, for example, you can use the [climbing wall](#) by the Świętokrzyski Bridge, do [flatland skimmming](#) near the zoo, play [volleyball](#) and other things by the Poniatowski Bridge, or try your hand at [archery](#) once you reach Goctaw.

The left bank of the river is primarily boulevards. On their new central stretch, you can find, among other things, [trampolines](#) and [spraygrounds](#). It is well worth stopping at an [outdoor gym](#) and a workout zone by the

Flotyła Wiślana Boulevard or the Czerniakowski Port, where you can find a [wakeboard lift](#) and volleyball courts.

More and more sailing opportunities are opening up all the time. From May on, the river is open both to large vessels, which will take you on an [all-day cruise](#) out from the city, as well as traditional wooden boats and [kayaks](#) offering hour-long pleasure cruises, e.g. at sunset. Also available are [free ferries](#) joining the opposite banks, which can be used for transporting bikes.

This coming season will see open-air training sessions of [yoga](#), [roller skiing](#) and [tai chi](#).

Warsaw Tourist Lines

You can also board the vessels that connect the Warsaw banks of the Vistula. **Everyone** will find something for themselves. **Lovers of nature** can admire the right,

wild riverbank. With a bit of luck you can catch sight of the white-tailed eagle, same as the one on the coat of arms of Poland, or the elk - the biggest representative of the deer family.
