PALACE OF CULTURE AND SCIENCE, WARSAW, POLAND

26. INTERNATIONAL TRAVEL SHOW

The International Travel Show TT Warsaw has been taking place for over 26 years and is one of the most important events of the tourist industry in Poland. It creates excellent opportunities for networking and making business contacts with tourist entities from both – Poland and abroad, and provides a great venue for sale of products and services to tour operators, travel agents, representatives

of business tourism and Polish tourists. TT Warsaw also creates a unique chance to present sights and attractions of countries and regions and shows the tourist potential of Poland. Thanks to its date, the trade show is an excellent place to reflect on the past seasons, present the winter offer and present catalogues for the following year.

The fair is visited by:

- representatives of the Polish tourist industry
- business partners from over 50 countries
- tour operators and travel agencies
- organisers of business, training and integration events and business trips
- owners and managers of hotels and other lodging facilities & accommodations
- representatives of transport, insurance and service companies
- entities organising business and corporate events, retreats, trainings and workshops
- Ambassadors and representatives of the Diplomatic Corps
- representatives of national government and self-governing bodies, as well as industry institutions and organisations
- and thousands of individual customers seeking ideas for weekends and winter holidays
