# Lake Hill Resort & SPA

---

Stylish hotel in the heart of polish mountain Karkonosze, with the outstanding lake and mountain view.

A great hotel location – a wide green area around the hotel offers a multiply possibilities to actively spend a time or just quietly relax.

We offer 169 comfortable double and triple rooms and suites with lake and mountain view or a forest view, each with a balcony or terrace

# Design

---

In 2020 hotel was awarded for its unique architecture and a very modern and stylish design. A perfect integration into a surrounding landscape makes a hotels close to nature.

# Awards

## PROPERTY DESIGN AWARD 2020

Award for the best design  
in a category Interiors – Hotel.

## MP POWER AWARDS 2019

First place for the best property  
open in 2019.

## PERFECT SPA AWARDS 2020

Award for the most prestigious  
SPA in Poland.

# Magic

---

Not only the magnificent view, but also the hidden treasures of Sosnowka – a small village where Lake Hill hotel is located, create the magic of this place.

Explore St. Anne Chapel with the healing water, the Witches path, St. Henry Castle or path around the lake.

Possibilities are endless...

# Classy menu

Try our regional dishes made from best local products or classics from the international cuisine. We use the famous Wańczykówka cheeses or fresh fishes from the nearby waters, in addition with herbs and vegetables from our biodynamic garden.

# Wellness Zone & SPA

Our luxury Wellness zone has an indoor pool with a jacuzzi, hydromassage stations and saunas, as well as an outdoor heated pool with two jacuzzies and infrared sauna. The entire zone has an outstanding lake and mountain view which is definitely the most unique part about Lake Hill Resort & SPA.

# Business and event center

Hotel has a large conference/event hall, as well as a smaller one – both of them can be put together in one huge hall which give the countless possibilities for larger or smaller business groups. For the big events we offer a 500 m2 non-moveable tent with the mountain view and exit to green areas.

# Outdoor activities for active groups

---

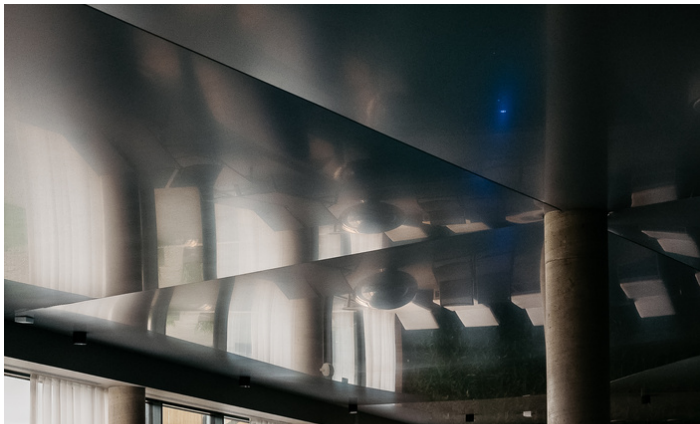

Our region offers countless possibilities for active groups:

- Long bike or trekking tracks,
- Bike single tracks for amateur and advantage level,
- Nordic walking tracks,
- Sightseeing tours,
- Mountain climbing,
- Reaching the castle hills.
